

Descendant Form

Please fill out the Descendant Form beginning with you as number 1 and working back to Jonathan Tipton (1659 – 1757) or Christopher Haynes (1731 – 1763). Not only does Tipton-Haynes wish to gather information about the descendants of Colonel John Tipton and Landon Carter Haynes, but we hope to obtain any and all information on related families that branch from these two main patriarchs. For each generation, the direct line (whether male or female) should be listed to the left. If more room is needed please feel free to attach a separate sheet listing the lineage.
